

Import of plants and plant products from
third countries

Additional declarations on the phytosanitary certificate
according to Article 71 (2) of Regulation (EU) 2016/2031 of the European Parliament of the Council
of 26 October 2016 on protective measures against pests of plants except wood and wood packing material

- without prejudice to prohibition of imports -

The phytosanitary certificate shall specify under the heading 'Additional Declaration' which specific requirement is fulfilled,
whenever allows for several different options for such requirements.

That specification shall include the full wording of the relevant requirement!

vegetables
